

# Nguyen Viet Sang

## Computer Science Student

Faculty of CSE, University of Technology, VNU-HCM  
268 Ly Thuong Kiet, Ward 14, Dist 10, HCMC, Vietnam

Phone number: (+84) 937292905  
Email: 1512798@hcmut.edu.vn  
Skype: ngvietsang

### OBJECTIVE

Become a professional engineer in the field of Software Engineering and Artificial Intelligence

### EXPERIENCE

Jun-Aug, 2018 **NLP Research Scientist Intern in KNOREX Vietnam**

Evaluated and improved some features in Language Detection, Key Mining, Word2Vec

From Jan, 2018 **Research with Question-Answering Project in ML4U Group**

- Knowledge in the field of Deep Learning
- Tensor Flow programming

- Sharing knowledge by presentations weekly coordinated by Dr. Nguyen Duc Dung at University of Technology, VNUHCM.

### EDUCATION

2015 - now **Bachelor of Engineering in Computer Sciences**

[University of Technology, Vietnam](#)

Expected: April 2019.

Cumulative GPA: 8.13/10

### SKILLS

- Programming Languages: C/C++, MATLAB, Python
- English: Intermediate
- Deutsch: Level A1, expected Goethe Zertifikat B1 in December 2018

### ACHIEVEMENTS/PRIZES

2015 - 2016 **Promoting Scholarship from Faculty of Computer Science and Engineering**

Given Scholarship for Top 20 Excellent Students

2016 - 2017 **Comprehensive Excellent Student in University**

[University of Technology, Vietnam](#)

Given Certificate for Outstanding Students by the Principal

Oct, 2017 **Scholarship from James Cook University**

[Singapore](#)

Awarded a 50% scholarship on One Academic Year in any Major in Bachelor of Business

Apr, 2018 **Certificate of Agile Software Development with Scrum**

Given by Axon Active Vietnam

Apr, 2015 **National Excellent Student Competition**

[Academic year: 2014 - 2015](#)

Win Honourable mention prize in Physics

Given Certificate of Chairman of People's Committee of Dak Lak Province for outstanding performance

Nov, 2014 **Certificate of Physics and the Youth Journey**

[Academic year: 2013 - 2014](#)

Win 3rd prize in the competition for High School students in Vietnam

---

## CONTRIBUTED PROJECTS

- Dec, 2017     **An Application for determining locations of a group people**  
- Java Gateway and Analytic Application  
- Android Application using GPS and Google Map  
- Connection supported by UDP, TCP and cloudMQTT service
- Apr, 2017     **Java Application for Hospital Management**  
- Managing data of employees, patients, drugs, rooms,...  
- Working with database and SQL  
- Using Oracle Database
- Oct, 2018     **Model for predicting Price of Houses**  
- Preprocessing data  
- Experiment with models, fine-tune, compare results

## SOCIAL ACTIVITIES/SERVICES

- Oct, 2016     **Certificate from Ho Chi Minh Communist Youth Union**     [University of Technology](#)  
Certificate of merit for outstanding achievements in the work of the Communist Youth Union
- Aug, 2016     **Member of Tay Nguyen Youth Summit**     [Da Lat City](#)  
Learn how to understand myself  
Do research on the most popular careers in Da Lat City
- Jan, 2016     **Spring Volunteer Campaign**     [Ho Chi Minh City](#)  
Captain of Computer Faculty's Group  
Given Certificate for successfully completing the mission
- 2015 - 2016     **Working in The Associated Organ of Vietnamese Students' Association**  
Faculty of Computer Science and Engineering, University of Technology:  
- From Oct, 2015 to Jun, 2016: Member of the Executive Committee  
- From Jun, 2016 to Oct, 2017: Vice Chairman
- Jul, 2016     **Green Summer Volunteer Campaign**     [Ho Chi Minh City](#)  
Vice-captain of Computer Faculty's Group  
Given Certificate for successfully completing the mission

## HOBBIES

Reading classic novels; Writing; Listening to rock music; Playing soccer
