

# Nguyen Ngoc Can

## AI Software Engineer

CALL ME  
(+84)964 98 00 47

### PERSONAL

Name	Nguyen Ngoc Can
Birthday	27th May 1995 (22)
Relationship	Single
Nationality	VietNam
Born	Ba Ria - Vung Tau
Languages	Vietnamese, English

### CONTACT

Mobile	(+84) 964 98 00 47
Email	nguyenngoc.can275@gmail.com
Address	D16/23/1D, 4 Hamlet Vinh Loc A Ward Binh Chanh District Ho Chi Minh City

### EDUCATION

University	University of Information Technology - VietNam National University ( UIT-VNU)
Degree	Bachelor of Computer Science in Honor Program
GPA	8.12
TOEIC	675

### WORK EXPERIENCE

C/C++	<div><div></div></div>
C#	<div><div></div></div>
Python	<div><div></div></div>
Maple, Java, Matlab, Prolog, SQL	<div><div></div></div>
Adobe Photoshop/Audition	<div><div></div></div>

### ONLINE PROFILE

### Timeline

9/2017

**Software Developer**  
I start my first job at Software Developer at Goodland Informatics

10/2016

**Doing research in automatically human-emotion recognition**  
I research some state-of-the-art methods to solve this problem. I re-install, evaluate and improve the method. After that, use the method for my application as my final project

8/2016

**Project: Farm Advertivise**  
Use machine learning to know if the ads is suitable with website or not, using Data Mining knowledge.

2016

**Join Multimedia Communications Laboratory (MMLab)**  
Being a research member at MMLab at my university, I learnt how to do research in computer vision.

8/2015

**Project: The diagnosable hardware-problem system (C#), The solving system based junior high school math (Maple, C#)**  
Develop programming skill

2014

**Project: Paint (C++), Pacman game (C++), CPU timer (C#).**  
Store up the basic knowledge about programming, computer structure.

8/2013

**Study at University of Information Technology**  
in Computer Science at Honor Program

### ABOUT ME

I am an enthusiastic, self-motivated, willing to learn, responsible and hard working person. I have passion in computer programming, especially in machine learning, data mining, python, C/C++/C#.

I'm a nice fun and friendly person. I've joined many volunteer activities, like blood donation, Green Summer Volunteer Campaign...I always maintain good relations with friends, colleague.
