Marital status: Single

Address

Duc Thang ward – Phan Thiet city – Binh Thuan province – VIETNAM

Profile

Summary "Your attitude, not your aptitude, will determine your altitude."
To me, the most important thing is the attitude. I always work with the highest attitude. We work hard, smart to overcome any obstacle even if it's a totally different way than usual. Together!

Character Enthusiastic, open minded, caring, resourceful and carefully at work
