## Education

---

2005 - 2007	<p>TOEIC 700</p> <p><i>VATC (VietNam - American Training College)</i></p> <p>I was studying here to improve my English Skills although I had been very good at English before. At here, I got a TOEIC Degree with a very high score (700). The degree is out of date now but my English knowledge seems to be unlimited</p>
2005 - 2010	<p>Software Engineer</p> <p><i>Faculty of Information Technology - University of Natural Sciences</i></p> <p>A very good and famous University about Information Technology in Ho Chi Minh City</p>
2007 - 2010	<p>HDSE (High Diploma of Software Engineer)</p> <p><i>FPT Aptech Academy</i></p> <p>I was studying this school while studying the third year at University of Natural Sciences. I want to improve my practical programming skills in real world. It is also the reason why I have been working at FPT Telecom up to now, a very good working environment to me.</p>
