ABOUT ME

YOU NEED A PASSIVE MEMBER? - NOT ME

- ☞ Great passion with technology and that is why I am a programmer and tester.
 - ☞ If the work repeatedly over 3 times. I will think about a way to make it faster and better. It's my rule.
 - ☞ Don't stop learning because life always taught us new things so every day is a lesson and that will be the knowledge for tomorrow.
- FAVORITE QUOTE:
- ☞ "You can do anything if you have enthusiasm." - Henry Ford
 - ☞ "You need the right people with you, not the best people." – Jack Ma
