EDUCATION

- **University of Medecine and Pharmacy** Ho chi minh, Vietnam
Bachelor of Pharmacy; GPA: 7.75 *Aug. 2012 – Nov. 2017*
- **University Paul Sabatier, Toulouse** Toulouse, France
Master of clinical pharmacy; GPA: 8.25 *Nov.2017 – Sep. 2018*

RELEVANT COURSEWORK

- **Statistics**
Master coursework
 - Probability:
 - Linear regression model:
- **Introduction to Data Science**
MIT Open Courseware
 - Optimization model:
 - Classification model:
 - Cluster programming:
 - Basic data visualization:
- **Introduction to Computer Science**
MIT Open Courseware
 - Basic programming with Python:
 - Basic algorithm:
 - Object-oriented programming:

PROJECTS

- **Data analysis and visualization pipeline:** Scripting in Python to analyze and produce graphs from experiment's data

SKILLS

- **Programming Languages::** Python, Javascript, HTML, CSS
- **Version control system::** Git
- **Other skills::**
 - Professional fluency in English, French:
 - Good communication:
 - Good analytical mindset:
