

VÕ PHƯƠNG HÒA

Data Scientist Fresher

➤ Personal Details

- ✓ Date of birth: December 10, 1996
- ✓ Gender: Female
- ✓ Phone: 01695629075
- ✓ Email: phuonghoa.nt000@gmail.com
- ✓ Address: Tân Túc Street, Tân Túc Town, Bình Chánh District, Hồ Chí Minh City

➤ Career Objectives

- ✓ Accumulating work experience in the real environment
- ✓ Learning new knowledge
- ✓ Improving some needed soft skills

➤ Skills

- ✓ English

Listening

Speaking

Reading

Writing

- ✓ Teamwork

- ✓ Communication

- ✓ Work independently

EDUCATION

University of Science (2014 – 2018)

- Bachelor's Degree in Computer Science
- GPA: 7.41

Certificate:

- TOEIC 500
- VNU-EPT 205

SPECIALIZED SKILLS

- Program languages: C/C++, Python.
- Proficient in object-oriented programming and data structures.
- Understanding in machine learning algorithms such as Neural Network, SVM, PLA and other.
- Familiar with Linux.
- IDE most used: Visual Studio, Ipython Notebook.

WORK EXPERIENCE

Projects by C/C++

- Caesar and Vigenere's cipher
- Racing game
- Optimal the delivery road system
- Radix sort (parallel programming on Linux)

Project by assembly

- Programming with MIPS in MARS

Projects by Python

- Book rating
- Handwritten digits recognition by ANN
- Ear recognition

Big exercises by Python

- Algorithms about data hiding such as LSB, DE and other.
- Algorithms about data mining such as apriori, kmean, DBScan and other.
- Algorithms about machine learning such as Linear Regression, Softmax Regression, Logistic Regression, Neural Nets and other.
