## Top Skills

React.js  
JavaScript  
HTML5

# Quang Trinh Khac

Front End Developer

## Summary

I've always wanted to become a web developer. So, I started at FreeCodeCamp and learned a lot of wonderful things. Currently, I have a good understanding of web development and work well with HTML5, CSS3, JavaScript. I also have experiences with Reactjs, I'm always looking for chances to challenge myself as well as improve my skills.

---
