- Classify fruit by weight and size.

EDUCATION

Sep 2012 - Jun 2015	Le Quy Don High School Good graduation
Sep 2015 - Jun 2019	INDUSTRIAL UNIVERSITY OF HOCHIMINH CITY Major: Electronic Automation 4th year student

ACTIVITIES

Jun 2015 - Aug 2015	Take part in summer social activities at local
Jun 2016 - Aug 2016	Take part in summer social activities at local

CERTIFICATIONS

2016	Basic office computing.
------	-------------------------

PERSONAL SKILLS

Language	English (Basic)
Language	Vietnamese (Native)
Computer	Word, Excel, Powerpoint
Communication skill	Fair
Team work	Good

Presentation skill	Fair
Data analysts	Good
Internet skill	Good

PROJECTS

Project Electronic Base

(2017 - 2017)

Customer	Lecturers Nguyen Duy Khanh
Description	- This is project which i built circuit of lift.
Team size	2
My position	Leader
My responsibilities	- Analysis and design - Development - Bug Fixing
Technologies used	- Proteus, Altium

Project Advanced Electronic

(2018 - 2018)

Customer	Lecturers Huynh Minh Ngoc
Description	- This is project which i control and supervise the speed of engine DC through algorithm PID digital
Team size	2
My position	Leader
My responsibilities	- Analysis and design - Development - Review Code - Build Code - Bug Fixing
Technologies used	- Proteus, Arduino, Visual Studio 2012, Visio, Configure Virtual Serial Port Driver.

INTERESTS

I like to learn about technology, watching movies, traveling, ...
