CAREER OBJECTIVES

I have been seeking opportunity to apply theories into reality, expand professional career knowledge, and improve interpersonal skills. I wish I could increase my self-confidence in the workplace as well as gain experience in dynamic environment. My high demand is to learn about strategic communication, marketing tools to get successful in every campaign and also to be trained in other related fields. I hope that my high discipline and responsibility for work through many events will help me to use my competences to benefit the quality and service of the company.
