Vu Hoang Phuc

Apply for: AI/ Machine Learning Internship

PERSONAL INFORMATION

- Email: phucvu4697@gmail.com
- Phone number: 0902490300

EDUCATION

- 2015-2019: University of Science
- Speciality: Mathematics and Computer Science

TECHNICAL SKILLS

- Math, Machine Learning
- Algorithms
- Python, Matlab, C/C++

PROJECTS

- Ebolavirus classification

  Description: Extracting features from protein sequences and classifying them in Ebola species.

  Method: Feature Engineering, PCA, Naive Bayes Classification

OTHER SKILLS

- Being able to understand and communicate in English
- Logical thinking, problem-solving skills
- Team work skills
