PROJECTS

- **KySo™ Desktop***:* Using digital signature to sign forms, documents, files and send them to public authorities via web services.
  Industry: Tax, Social Insurance, Customs, Statistics, Pay24
  Role: Project manager
  Assignment Duration: 5 months
  Project Team size: 3
  Skill set Utilized: C#, .Net Framework 4.0, DevExpress, Web Services
  Responsibilities: Managing, analyzing, coding, daily report
  Organization: Ho Chi Minh City Tax organization.

- **TaxOnline™***:* Making tax forms/reports and using KySo™ Desktop app to sign and send them to public authorities.

  Industry: Tax
  Role: Manage modules, Analysis, coding
  Assignment Duration: 1 year
  Project Team size: 7
  Skill set Utilized: Asp.net, C#, .Net Framework 4.0, DevExpress, XSD, XSL, XML, XtraReport, PDF fields, My SQL
  Responsibilities: Analyzing, coding, daily report
  Organization: Ho Chi Minh City Tax organization.

- **iBH™***:* Making social insurance forms/reports and using KySo™ Desktop app to sign and send them to public authorities.
  Industry: Social Insurance

Role: Manage modules, Analysis, coding
Assignment Duration: 6 months
Project Team size: 7
Skill set Utilized: Asp.net, C#, .Net Framework 4.0, DevExpress, XSD, XSL, XML, My SQL
Responsibilities: Analyzing, coding, daily report
Organization: Ho Chi Minh City Social Insurance organization

- **iTK™:** Making Statistics forms/reports and using KySo™ Desktop app to sign and send them to public authorities.

  Industry: Statistics
  Role: Manage modules, Analysis, coding
  Assignment Duration: 3 months
  Project Team size: 7
  Skill set Utilized: Asp.net, C#, .Net Framework 4.0, DevExpress, My SQL
  Responsibilities: Analyzing, coding, daily report
  Organization: Ho Chi Minh City Customs organization

- **iHQ™:** Making customs forms/reports and using KySo™ Desktop app to sign and send them to public authorities.

  Industry: Customs
  Role: coding
  Assignment Duration: 1 year
  Project Team size: 3
  Skill set Utilized: Asp.net, C#, .Net Framework 4.0, DevExpress, SQL Server 2008
  Responsibilities: coding, daily report
  Organization: Ho Chi Minh City Statistics organization

- **Pay24™:** Making UNC form/report and using KySo™ Desktop app to sign and send them to public authorities.

  Industry: Banking
  Role: Manage modules, Analysis, coding
  Assignment Duration: 5 months
  Project Team size: 3
  Skill set Utilized: Asp.net, C#, .Net Framework 4.0, DevExpress, XML, My SQL
  Responsibilities: coding, daily report
  Organization: Tien Phong bank

- **VBPL™:** Helping customers to search and view circulars about tax, social insurance, customs, statistics which had been promulgated by public authorities.

  Industry: Tax, Social Insurance, Customs, Statistics
