Trần Thanh Tỉnh

Data Science

✉ thanhtinh160896@gmail.com ☎ 0929056434 📍 Ho Chi Minh, Vietnam

EDUCATION

University of Information Technology

Agu 2014 - Jan 2019

- *Major: Computer Engineering*
  GPA: 7.5/10

WORK EXPERIENCE

University of Information Technology

Agu 2017 - Dec 2017

- *Research and Development*
  Design IP core part used to motion detect.

University of Information Technology

Agu 2017 - Nov 2017

- *Research and Development*
  Design IP core part used to finger print recognition

TMA Solutions-TIC

Jan 2018 - Currently

- *Research*
  Research in Data science - AI/ Machine learning, Deep learning, Reinforcement learning

ACTIVITIES

Part-time Job

Jan 2016 - Present

- *AEC center (American English Communication center)*
  - Trainee management. Improve English communication skills.

CERTIFICATIONS

2018	IBM Data Science Professional Certificate
2018	AI/ Machine learning - Coursera
2019	Engineering degree-University of Information Technology

SKILLS:

English skills

Logical thinking and creative

Java

Python, C/C++

Data processing
